

GASOLINE BACKPACK MIST BLOWER 14L 43CC

The Backpack Mist Blower offers powerful and efficient spraying for liquids and powders. Equipped with a high-performance 2-stroke engine, it provides strong airflow and fine mist for uniform coverage. Ideal for agriculture, pest control, and sanitation, its ergonomic backpack design ensures comfort during long hours of operation.

USAGE OF MACHINE

Agricultural Spraying

Horticulture & Gardening

Disinfection & Sanitization

Weed & Pest Control

FEATURES

● HIGH-PERFORMANCE 2-STROKE ENGINE

Equipped with a powerful 43CC gasoline engine that delivers strong and consistent airflow, ensuring efficient misting and spraying performance for both liquid and powder applications.

● DUAL FUNCTION SPRAYING SYSTEM

Designed to handle liquids, powders, and granules, making it a versatile solution for pest control, crop protection, and sanitation tasks in various environments.

● EXTENDED SPRAYING REACH

Provides an impressive spraying distance of up to 15 meters, allowing wide coverage with minimal operator movement — ideal for large fields or open spaces.

● ADJUSTABLE SPRAY CONTROL

Features variable flow adjustment, enabling precise control of spray intensity and direction to reduce chemical waste and improve application efficiency.

● DURABLE 14-LITER TANK CAPACITY

The robust, corrosion-resistant tank ensures long working hours without frequent refilling, maintaining consistent performance even during extended use.

● ERGONOMIC AND COMFORTABLE DESIGN

Built with a well-balanced frame, padded shoulder straps, and vibration-reducing components for enhanced operator comfort and reduced fatigue during prolonged operation.

TECHNICAL SPECIFICATIONS

MODEL

SMD43BC

Motor

43CC Gasoline, 2-stroke 1.7 HP

Maximum Power

1.7 HP

Tank Capacity

14 Liters

Type

Backpack

Spraying Reach

Up to 15 Meters

U.S.P

Long reach

Powder and liquid
